Exceptions to Submitting CIFs..... 1

#### **Exceptions to Submitting CIFs**

Providers are reminded not to submit *Claims Inquiry Forms* (CIFs) for the following Remittance Advice Details (RAD) code messages, unless information on the CIF specifically addresses the denial reason. For example, if the denial was 002, but an error is found in the recipient ID on the original claim, this would be an appropriate CIF, with a changed recipient ID. However, if providers wish to challenge the determination, a CIF will result in the same denial. A review by a person in the appeals unit is the only way of resolving denials if the claim has a unique circumstance needing human intervention.

<u>Code</u>	<u>Message</u>
0002	The recipient is not eligible for benefits under the Medi-Cal program or other special programs.
0010	This service is a duplicate of a previously paid claim.
0072	This service is included in another procedure code billed on the same date of service.
0095	This service is not payable due to a procedure, or procedure and modifier, previously reimbursed.
0314	Recipient not eligible for the month of service billed.
0326	Another procedure with a primary surgeon modifier has been previously paid for the same recipient on the same date of service.

*The updated information is reflected on manual replacement page cif co 2 (Part 2).*
